A Premium Finish, Trusted Across Victoria

MP Premier Painters delivers premium interior and exterior painting for Victoria's finest homes and the builders who create them. Headquartered on the Mornington Peninsula — from Portsea and Sorrento to Melbourne's CBD — we've built our reputation on one promise: a flawless finish, delivered on programme, with no callbacks.

A Decade of Craftsmanship

Founder Mark brought his trade from Scotland to the Mornington Peninsula ten years ago. Built on referrals and repeat clients, MP Premier Painters today runs a full team of qualified tradespeople with the capacity to scale across multiple sites, entrusted with some of Victoria's finest homes and most demanding commercial projects — with Mark overseeing every job alongside his team to ensure the standard never slips.

Detail From Prep to Finish

Every surface is properly prepared before a drop of paint goes on. Thorough prep, premium trade-grade products and disciplined workmanship mean a finish that looks sharp on handover — and stays that way.

"Mark was fantastic to deal with from the first meeting. He and his team worked seamlessly with our builder. The finished result was outstanding."

PETER — GOOGLE REVIEW, ★★★★★

The Painting Partner Professionals Trust

On a high-end build, the paint is the surface every client actually touches and sees. We treat it that way. Our crews work to the standard your joinery, render and plaster deserve — and to the programme your trades depend on.

01

A Finish That Doesn't Need Fixing

Meticulous prep and quality control at every coat. No touch-up lists dragging past handover, no callbacks eating your margin.

02

On Programme, Every Time

We scope honestly, staff properly and sequence around your other trades — so the paint package never holds up the build.

03

One Team, Interior to Roofline

Interiors, exteriors, roof and fence spraying, feature finishes — one contractor, one point of contact, one consistent standard.

04

Fully Insured Professionals

An experienced, fully insured team trusted by high-end builders, developers and leading Victorian businesses.

Complete Painting Solutions, One Contractor

From a single feature wall to a multi-dwelling development, we manage the full scope: colour consultation, surface preparation, application and final inspection — using premium trade-grade products built for the Australian climate.

Interior Painting

Full repaints, feature walls and custom finishes, woodwork and trim detailing, kitchen and window rejuvenation.

Exterior Painting

Weatherboards, brickwork and render, doors, frames and trims — durable systems specified for coastal conditions.

New Builds & Builder Partnerships

New build and multi-dwelling painting for builders and developers, with ongoing maintenance contracts available.

Commercial & Strata

Office fit-outs, retail spaces, apartment blocks and unit complex repaints — staged around your operations.

Roof, Fence & Deck Coatings

Roof spraying, fence spraying, pergolas, decks and retaining walls — protection and street appeal in one visit.

Repaints, Renovations & Feature Finishes

Pre-sale repaints, renovation packages, wallpaper and designer feature finishes that lift a property's value.

One Standard of Finish, Across Every Sector

From Portsea beach houses to Melbourne CBD fit-outs, we understand the expectations, timelines and site conditions of each client we serve — including schools, government facilities and community housing programs — and we hold the same standard of finish across all of them.

Homeowners

Single rooms to full-home transformations — including pre-sale repaints that boost property value.

Builders & Developers

New builds and multi-dwelling developments delivered to programme, with a finish that reflects well on your brand.

Architects & Designers

Feature finishes, wallpaper and specified systems executed exactly as documented.

Commercial & Retail

Fit-outs and repaints staged around trading hours, for businesses that can't afford downtime.

Real Estate & Property Managers

Fast, reliable turnarounds between tenancies and before listings — quoted quickly, finished on schedule.

Strata & Body Corporate

Apartment blocks and unit complexes — clear communication with committees, minimal disruption to residents.

TOTAL CONSTRUCTION & MAINTENANCE SOLUTIONS

A Finish Done Right, Backed by Process

Quality isn't a final inspection — it's a process that starts before the first coat. Every MP Premier Painters project follows the same discipline, whether it's a beach house repaint or a commercial fit-out.

- **Thorough surface preparation** — sanding, patching, sealing and priming before any topcoat is applied.
- **Premium trade-grade products** specified for each surface and for the Australian climate.
- **Clean, protected sites** — furniture, floors and landscaping covered; sites left tidy at the end of every day.
- **Safe work practices** across every site, with a fully insured, experienced team.
- **Final walk-through with you** — the job isn't finished until you've inspected it and you're satisfied.

"Alba Thermal Springs & Spa's partnership with MP Premier Painters over the last 3 years has consistently exceeded our expectations. What sets them apart in the painting industry is their meticulous attention to detail and clear communication. Mark & his team continually manage tight schedules without compromising on the quality of the finish. Their professionalism & attitude makes them the perfect painting company to work with."

CASE STUDY

Shoreham Residence — a complete finish, inside and out

Architect-designed country home, Shoreham. Full interior and exterior paint scope — every wall, ceiling, door and weatherboard.

In + Out
FULL HOME SCOPE

100%
ON-SCHEDULE

The Challenge

A high-specification home where the paintwork is the architecture: vaulted panelled ceilings, arched glazed doors, colour-drenched rooms in deep olives and greens, and dark exterior cladding with crisp white trim — surfaces that show every flaw, in full coastal sun.

Our Approach

A full product schedule for every surface before the first coat — sprayed and back-rolled exterior cladding for coastal durability, brush-finished joinery and doors, and colour-matched deep tones carried wall to ceiling. Quality checked at every coat, sequenced around the other finishing trades.

The Result

A magazine-grade finish across the entire home — the photographs throughout this document are the handover, unretouched. Delivered on schedule, with a client happy to put their home forward as our showcase.

"High-quality, detailed painters, who take pride in their work. Excellent communication. Could not recommend more highly."
